

The long, cold winter is in the rear-view mirror. It's time to get outside and enjoy the great weather. And there has never been more on offer for dogs and their humans—whether you travel or stay close to home!

12 WEEKS OF SUMMER FUN

AUG 9-10

Dog Days Peach Festival, Bluemont, VA
It's time to go country! This festival has something for everyone in the family—both two- and four-legged. You can pick peaches in the orchard, tackle the agility area, or romp in the play area. There'll also be a Doggie Olympics and demonstrations. Pups can even take a dip in the pond!

SUMMER MUST-HAVES

TAKE OUT

Entirely self-contained and constructed of durable plastic, the ChowPal makes traveling with your best friend a breeze. A virtual bistro on-the-go for the canine set! (dogtread.com)

WIND IN YOUR FUR

This crate fan will keep pets cool, calm, and comfortable, no matter how hot it gets. It comes with a programmable thermostat. (petedge.com)

COOL SLUMBER

Help keep your furry friends cool on hot summer days. This bed that has a removable air-mesh layer, plus a pocket to store removable cooling packs. (wayfair.com)

TENDED TRANSPORT

Provide your pet an unobstructed view as well as a safer and more comfortable ride—with no clumsy straps to get in their way. (solvitproducts.com)

RELAXING SPRAY

Does your pet stress out at the prospect of a car trip? Try wildwoods. It calms and leaves coats fragrant and shiny in between baths. (gerrardlarriett.com)

SHADY OPERATOR

These sturdy framed shades and kennels are lightweight and easy to transport, and come with a matching carry bag. (quikshadepets.com)

DIRT BUSTER

Just say no to muddy paw prints in the car! Ultra-thick, moist wipes remove dander, drool, and any dirt your pup picked up on her outdoor adventures. (earthbath.com)

CALMING CHEWS

Just a chew or two will help calm your pet without altering his personality—so he's always ready for another great adventure. (alcottadventures.com)

BIKE TOW LEASH

Just attach a Bike Tow Leash to your two-wheeler, and in less than a minute—without tools—you and your pup are off to explore. You'll both enjoy the sights without the worry of tipping or tangling the leash. Along with complying with all leash laws, you'll arrive back safely without your dog running off, eating the wrong things, or being bitten by another animal. (biketowleash.com)
